

GRUPO CACAOLAT S.L.

SCOPE OF THE ENVIRONMENTAL MANAGEMENT SYSTEM

The Environmental Management System of GRUPO CACAOLAT S.L. complies with the requirements of the UNE-EN ISO 14001:2015 standard for Preparation, packaging and commercialization of cocoa milkshakes, milk, and vegetables beverages with cocoa, as well as related activities.

The environmental management system of GRUPO CACAOLAT S.L. is associated with the plant located at:

AV. FRANCESC MACIÀ, 225-233, 08924 - SANTA COLOMA DE GRAMENET (BARCELONA)

As well as its area of influence.

Its purpose is to clearly describe the environmental management of the company, defining, among other aspects:

- ✓ The context, the stakeholders and their needs and expectations.**
- ✓ The risks and opportunities related to environmental matters, legal requirements, and other requirements.**
- ✓ Actions planned to prevent and reduce the undesired effects of those risks.**

The processes that are necessary to prepare for and respond to potential emergency situations.

This is to ensure that the Environmental Management System achieves the expected results and continuous improvement.
